## A NEW MONTHLY ISSUE OF THE ROMAN DECREES IN ENGLISH.

### EARLY IN OCTOBER A NEW SERIES OF ROMAN DOCUMENTS & DECREES

will appear. The Apostolic Letters and Encyclicals as well as Decrees of the Roman Congregations will be given in Latin and English in full whenever they apply to the English speaking races. Others will be summarized in English. The new Monthly will be edited by the Rev. David Dunford, assisted by an Advisory Committee, and each issue will bear the Imprimatur of the Archdiocese.

*The Subscription will be 7/6 per annum posi free.*

As a permanent record of the Acts of the Holy See this journal will be of great value to those who wish, not only to read, but to be able to quote from, the numerous decisions of the Roman Congregations.

Many of the versions of Encyclicals and of Apostolic Letters that appear in the world's Press are not only incomplete but often inaccurate, and it is hoped that this journal will supply its readers with every item of interest to English speaking Catholics in an authorized and handy form.

### The "SUMMA THEOLOGICA" of ST THOMAS AQUINAS IN ENGLISH.

Literally translated by the Fathers of the English Dominican Province. Part I, in three Volumes, of which the first is now ready, price 6s. net. (Postage 5d.)

CONTENTS: The Scholastic Philosophy—The Divine Word—The Perfections of God—The Existence of God—Concerning Truth—The Will of God—Predestination, etc., etc.

*Subscriptions are received for the Three Volumes (Vol. 2 in preparation) 18/- net, post free.*

THE WRITER OF LITERARY NOTES IN "THE TABLET" SAYS: "The Fathers of the English Dominican Province are to be congratulated on their courage in undertaking a great task, to wit, a full and literal translation of the 'Summa' into English. The work is one that will naturally be welcome to those who take a keen interest in theological literature and delight in anything that helps to make the writings of the mediæval Masters more widely known. And the Catholic Critic who comes across the opening volume of the new translation will be moved to dwell on its importance, to note the merits of the version, and to commend the book to the favourable attention of his readers."
